

AICTE MOUs for Student Internships

AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures to be implemented by all technical institutions approved by AICTE to improve the standards of technical education and to provide competent technical manpower for the nation.

In order to improve the employability of the students by imparting required skills and making them industry ready, it has been decided by AICTE to introduce mandatory internship for students from the session 2017-18. To facilitate internships to the students, AICTE has been identifying organizations/Ministries both in India & abroad and signing MoUs. These will be communicated to you from time to time.

All India Council for Technical Education [AICTE] has signed MoU with Internshala and Engineering Council of India [ECI]. Students can use Internshala platform for free internships. AICTE has also signed MoU with NETiit for internships in Taiwan.

The AICTE MoUs, advisory as well as internship policy can be viewed on the AICTE website:

GTU organised “Awareness program on students’ internship” on 09/10/2017 at GTU Chandkheda campus to inform the details to all concerned institutes. The agenda of this program was to make aware all degree engineering, diploma engineering, MBA, MCA colleges authority about internship to students. This program was jointly organized by AICTE, ECI and GTU. GTU has already signed MoU with ECI about this particular internship program.

Please contact DJMIT Internship Coordinator or your Departmental Coordinator for further details.
