

**REPORT
OF
PARENTS MEETING
OF
CIVIL ENGINEERING DEPARTMENT**

**On
15TH FEBRUARY '2016
At
Dr. Jivraj Mehta Institute of Technology,
Anand.**

Report belongs to Parents meeting held on 15th February 2016 Once again in Civil Engineering Department at our institute. Approximately 60% to 70% students were present. Parents meeting was started at 3:00 p.m with welcome speech by H.O.D. Civil in Ramanujan hall of B.E. Civil (All Semester). Also good suggestion given by principal Dr. Archana Nanoty madam to students Attend the class regularly. The idea was given about the GTU academic calendar & Institute academic calendar with tentative dates of two mid exams & one Pre-GTU exam. The awareness was spread about the Attendance Analysis and GTU suggested reference books & standard books. Also undertaking forms were distributed among the students which consist of all GTU guidelines & some institute rules.

Name of class coordinator, placement coordinator & project coordinator were declared in the all classes of B.E. Civil (All Semester). The faculties had made aware the 2nd semester students about their new syllabus teaching scheme & lab planning. Concern faculties have given the subject introduction of their subjects. and They are enthusiastic to know about their new subjects & laboratory work. Each & every laboratories were visited by parents under the guidance of concern faculties. After that we (staff & Parents) have arranged small get to gather function in a presence of our Principal Dr. Archana Nanoty madam & H.O.D Rakesh Hingu sir.

Finally with a great response of parents Civil Engineering Department has decided to conduct such type of meeting once or twice in semester.

Parents meeting delivered by H.O.D Civil Prof. Rakesh J. Hingu.
