

TITLE:

**E-Launching at Dr. Jivraj Mehta Institute of Technology College, of
Anand Institute of Studies in Energy Efficiency and Climate Change
(AISECC) as well as
Internet of Things (IOT) Center of Excellence, Mogar (ICEM)**

DJMIT College, Mogar had two E-Launching events on 27th August 2020. The E-Launching of AISECC (Anand Institute of Studies in Energy Efficiency and Climate Change) was done by Shri S. J. Haider (IAS), Principal Secretary, Climate Change Department, Government of Gujarat, Gandhinagar and the E-Launching of IoT Center of Excellence, Mogar (ICEM) was done by Shri Hareet Shukla (IAS), Secretary, Science & Technology Department, Government of Gujarat, Gandhinagar.

AISECC will work under advise and mentorship of Dr. Ajay Deshpande (Eminent Environmental expert) and ICEM will work under advise and mentorship of Dr. Vitthal Kamat (famous Industrialist, and Managing Director of Baroda Energy Meter, Vithal Udyog Nagar, Anand). This is a very significant and important initiative taken by any Self Finance Engineering College in Gujarat.

The main objectives of this initiative are to sensitize and make aware the students of DJMIT during their tenure of 4 years at DJMIT regarding

energy conservation , climate change issues challenges and obligations and also covering latest technological fields of IOT like Artificial Intelligence ,Robotics, Machine Learning, Advanced Software Development Technology, Business Incubation, etc. Also the centers will provide guidance and active support through industry connect, domain knowledge and expertise for sharing the relevant information and useful linkages and imparting the training as well as assisting the students , Business startups and entrepreneurs registered with Startup Incubation center , DJMIT (SICD) in project appraisal and financial assistance by banks along with objectives of achieving the goal of self-reliant India to provide the students promising and bright employment careers and entrepreneurship opportunities to the students, Business startups and entrepreneurs.

Technical experts of National and International repute as well as all DJMIT faculties and staff joined the occasion through digital platform.

All the dignitaries present during the occasion conveyed best wishes for both the events .

The successful E-launching of AISECC and ICEM was welcomed and best wishes were exchanged for the initiative from DJMIT including Executive Director K M Solanki, Academic DirectorDr. F. S. Umrigar andPrincipal Dr. B. R. Parekh.
