## **OUTCOME OF FDP:**

- This FDP will help teachers to understand the role of a teacher from a broad perspective. It will also clarify these dimensions across cross culture. Faculty will also learn the technique to manage class effectively which will help them to avoid day to day issues with students. Teacher will be able to evaluate their own values during this FDP.
- It will also help teachers to learn the art of effective communication which will ultimately ensure effective teaching.
- This FDP will also help the institute to create a professional environment in the classroom as well as in the staff room.
- FDP will also help teachers to upgrade their teaching skills by teaching tools and techniques.
- This will also help all employees to understand how they can achieve their goals by achieving organizational goals.
- Ultimately an organization is a second family for an employee. It will help to teachers in terms of work life balance which ultimately reduce their stress at office and at home.
- Overall this FDP will lead to
  - Students satisfaction
  - Enhancement of Teachers' efficiency and effectiveness
  - Institute objective achievement
