Dear Students/Parents/ Guardians,

As part of Digital India initiatives by Govt of India and to implement Digital Payment System (DPS) to enable **Atmanirbhar Bharat**, DJMIT has developed an **online fee payment system module** through which the due payable fees will be debited digitally from parent's/student's/ Guardian's bank account and would be credited to DJMIT account at the beginning of each new semester as per time frame convenient to students/portents/ Guardian.

DJMIT has decided to implement the DPS from next Academic year of 2021-22 and accordingly ALL students FEE will be collected though Digital Payment System . The Fees shall become due and payable on first day of next semester and exact date will be notified in due course of time as per GTU directions for next academic calendar commencement .

Please note "Guardian" includes any friends/ colleague / relative / faculty / staff of DJMIT who will declare jointly with Student that concerned student's fees is authorized to be debited from such Guardian's Bank Account.

The parents /student/ Guardian may select any suitable date of their choice within 1 month of term start of each new semester and can notify their bank accordingly.
