- **Highlights of the Webinar:**

Before the participants attended this webinar a sensitization session was conducted by Prof. Himani Bhatt. The importance of IPR was introduced and various types of IPR were discussed with day-to-day life examples. Students and faculties enjoyed the webinar and were able to understand the concepts. In the webinar how to get IPR in India was lucidly discussed and duration for getting each type of IPR was also narrated. Different types of IPR and their importance was discussed in simple way and participants were encouraged to create their own IPRs. The existence of the multinationals based on intellectual property was showcased and it was established that the richest companies in the world are not asset-based company but they are IPR based. So, all participants were enlightened about IPR and they were motivated to excel towards creating their IPRs. The webinar was equally interesting for the students as well as faculties.
